Mr. Salemi,

I am interested and would like to schedule an interview. January 21st is the best day for me as I have a doctor's appointment tomorrow. Any time of day is good, though either early in the morning or later in the afternoon would be preferable (I am normally at the SLI from about 7:30 to 3:30). Please let me know what time works for you and where you would like me to meet you. I look forward to talking with you.

Respectfully,

Sonja Farak
